For the greate[illegible] of our li[illegible] we have found these open doors beckoning us to enter. We have entered and found many keys to the other doors of life. We are now preparing to pass through as graduates and to use them. In this book we have tried to show why it is worthy to enter here. For it is our hope that all who pass through after us will find as rich and rewarding experiences as we have found here[illegible].

Dedicated To Mr. Edward W. Eanes

In Mr. Eanes' six years of service as principal of Charles City High School he has opened many doors to the students and citizens of this county. He has unselfishly given of his time, patience, and constant vigilance to lead his students to be more responsible persons and better citizens. We are deeply appreciative to Mr. Eanes for the guidance and understanding which he has given us. Therefore, we dedicate this, the 1966 Charles Citian, to Mr. Edward W. Eanes.

Shirley Temple Allanson

"Bill"

While coming through high school, Bill didn't worry about what kind of grades he got, so long as he passed. During his first year he was assistant director in May Day. He also was a member of the May Court in his fourth year.

Throughout the five years of high school Bill was a member of the S.C.A. He also was an active member of the K.V.G. for four years, and a member of the baseball team two years.

The subject Bill liked best was bookkeeping. He is following this up by taking a home study course in IBM Machine Accounting, which he seems to like very much.

Joan Lea Avery

"Joan Lea"

As I look back on my high school days at Charles City I find that many fond memories will remind me of the activities, sports, and clubs which I have taken part in.

During all five years I was a member of the Pep Club, Library Club, Glee Club, Science Club, and Forensic Club. I enjoyed these organizations very much and held offices in all of them.

Softball, which I played for five years was my favorite sport. I participated on the basketball team for two years and was chosen as cheerleader for four consecutive years. During the summer preceeding my senior year in high school Edna Gunderson and I were chosen to represent our school at an American Cheerleaders Association camp. This camp was tremendously helpful and it brought us the honor of being instructors of our squad this year.

In my sophomore year Mr. Eanes appointed me as our school reporter and also safety patrolman. I have served in these two positions, as well as on the S.C.A. Council for the past three years.

Timothy Brooks Berry

"Tim"

In my five years of high school I have taken part in many clubs and sports. I participated in the Monogram Club, Science Club, Library Club, Forensic Club, KVG, Safety Council, Year Book Staff, S.C.A. council, and Glee Club. Basketball and baseball are the main sports which I have played in my five years of high school, also track and football.

The offices which I have held have been president of the Senior class, secretary of the Library Club, and co-editor of the annual.

Gerald Wayne Blackman

"Gerry"

Dear C.C.H.S.

I would like to express my feelings to you for making my last two years in high school my very best. I am thanking you for:

The chance to serve in the K.V.G. these last two years and as president of the Honor Council my senior year gave me an opportunity to serve our school.

I enjoyed the privilege of being a member of the basketball, baseball, and track teams both my junior and senior years. This privilege taught me team work, how to compete and most of all good sportsmanship.

I am grateful for the honor of being a member of the choral group, the Science, and Forensic Clubs both years. Singing with the Glee Club and serving as president of the Forensic and Science Clubs gave me great pleasure.

To the faculty I am most grateful. They are without a doubt the most dedicated group of individuals I have ever known. The teachers have given me and my fellow pupils their valuable time and their most prized possession, their concern for our present and future.

Not knowing any better way of expressing my feelings toward you, I say good-bye and may God Bless You.

Sandra Laurette Bowman

"Sandra"

In September of 1963, I transferred from a neighboring school in the county to Charles City High School. That was the beginning of my sophomore year. During this year, I became a member of the S.C.A. The next year, my junior, I was a member of both the S.C.A. and the Science Club. During this year the Science Club visited a branch of Dow Chemical Company in Yorktown.

Now, in my final year of school, I'm participating in the S.C.A., Science Club and also a member of the annual staff. Although, I haven't participated in many organizations, I have enjoyed being a member of Charles City High School.

Thomas Broaddus Bowman

"Tommy"

This was the only year that I attended Charles City High School and was the most pleasant of all my school years. I went to Highland Springs High School before moving to Charles City High School. The students are much more friendly and willing to help you when you need it. They work together better and accomplish more than I have seen done at any other school.

While at C.C.H.S. I played on the basketball team and was a member of the K.V.G's.

I am sorry that I couldn't attend more years at Charles City and I am sorry to be leaving, but I will always remember the times we had fun and the times that we worked hard in the Senior Class of "66" at Charles City High School.

. . College Applications

John Coleman Christian

"Jack"

Taking part in high school activities has brought to me a number of joyful and rewarding experiences. I performed such services as working in the Library Club, serving on the Safety Council, and learning fire fighting in the K.V.G.

Participation in varsity sports presented a challenge in physical skill and endurance. I have played baseball for five years and basketball for four years. In my freshman year I played football. In the ninth grade I earned my letter and became a member of the Monogram Club.

For two years in succession I have been elected Vice-President of my class. Last year I won first place at Charles City in the National Mathematics Contest. Also, I was selected to attend the American Legion Boys' State last summer.

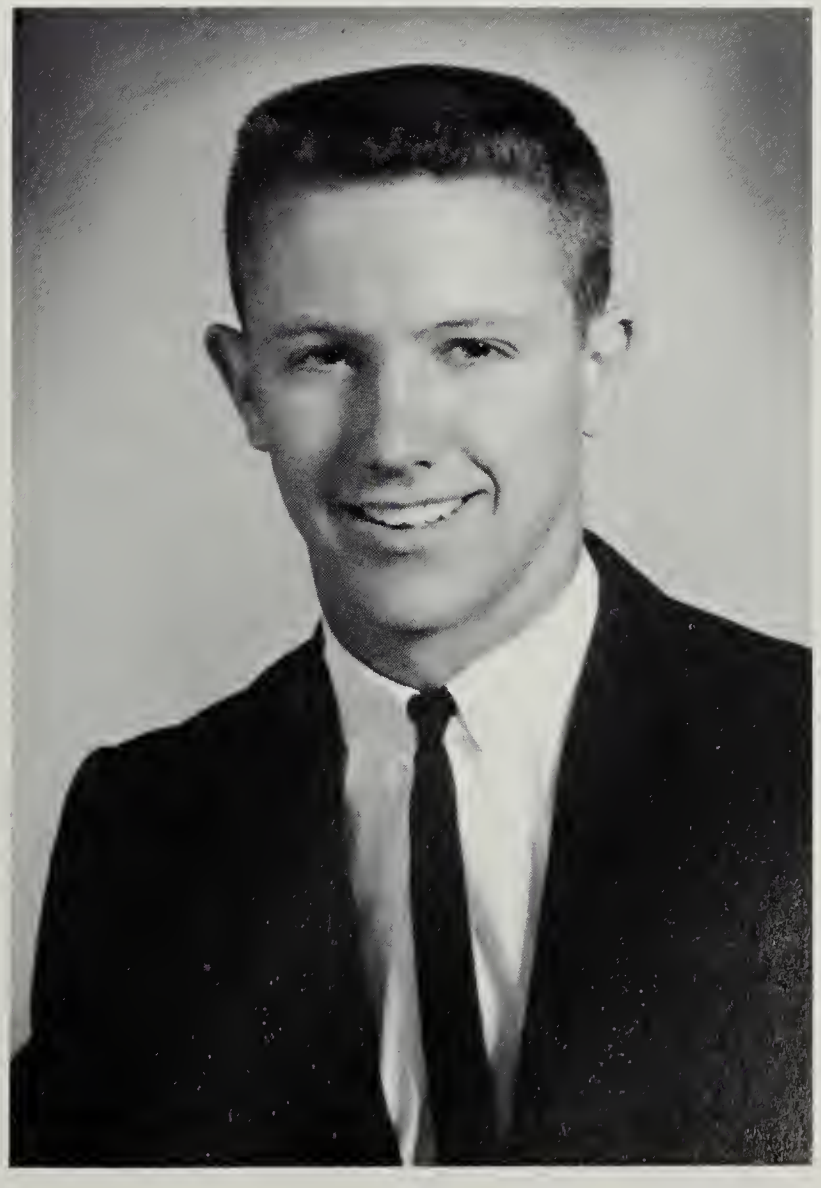
Raymond Owensby Daniel, III

"Slick"

My five years of high school have been very rewarding in many ways. I was a member of the basketball team all of my five years in high school. I was also a member of the baseball team my 8th, 10th, 11th, and 12th grade years, and participated on the track team during my last three years. In my 9th grade year I was a member of an always fighting, but never winning, football team. In the 8th grade I represented C.C.H.S. in a rifle contest.

I served on the Safety Council my junior and senior years. I have been a member of the Monogram Club since my freshman year; have been a member of the S.C.A. all five years; was in the Glee Club during the first three years of high school. I have been a safety patrol for the last three years.

I was elected vice-president of the freshman and sophomore classes. An honor which I am very proud and pleased to have received in my senior year, an honor which I share with another senior, is captain of the basketball team for the 1965-66 school year.



Mary Elizabeth Duke

"Mary"

The time is fast appoaching when as a graduate of Charles City High School I will become an alumna, not an active participant in the many pleasant activities which have filled my high school years.

I have served on the S.C.A. council, in the Beta Club, and in the chorus. Activities in the Forensic, Science, Monogram, and Pep Clubs have provided many fruitful experiences.

I have developed physical stamina, coordination, and sportsmanship by participating in and achieving position on the cheering squad, softball, and most of all the basketball team. I am truly grateful for the honor of attending Virginia Girl's State.

As I graduate from Charles City High and enter college, I am grateful for the knowledge and experience gained, which I carry with me.

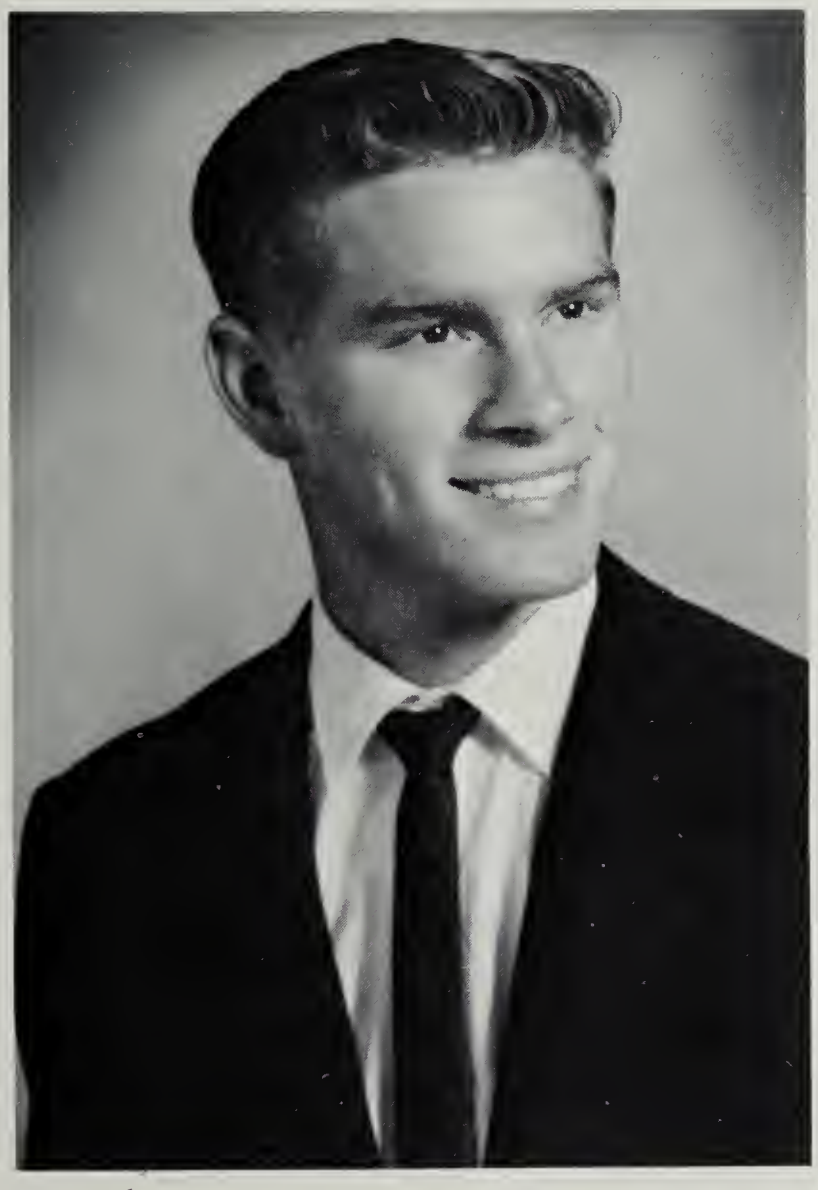
Carolyn Louise Graves

"Sissy"

On August 15, 1965, our family moved to Charles City County. I transferred from Warwick High School to Charles City High School in my senior year. Here I had the pleasure of serving on the S.C.A. and was a safety patrol.

I also played on the basketball team, was a member of the cheerleading squad and the softball team. Last, but not least, I was in the Forensic Club and the Glee Club.

. . . Usher In October



Charles Edward Graves, Jr.

"Chuck"

In my last year in high school I have been a member of the K.V.G.'s, I was also a basketball player, I have enjoyed my last year with my teachers and my fellow students.

Edna Muriel Gunderson

"Edna"

The five years I spent in high school were exciting as well as unexciting. I tried to serve my school by acting as a student assistant to the principal and as an office assistant. Also in service to my school I participated and believed in safety, volunteering as a safety patrolman and qualifying as a substitute bus driver.

My participation in activities were few, but I participated to the best of my ability in the activities of softball and cheerleading. It was an honor for me to be asked to attend the American Cheerleaders Association camp the summer before my senior year. The beginning of my senior year I, along with Joan Lea Avery, was appointed instructor of the cheerleaders.

I appreciate all members of the faculty who showed even the least concern of interest in all the students as well as myself.

December . . . Here Comes College

Carol Meador Jackson

"Carol"

As I entered the eighth grade at Varina High School I found opportunities to join the Future Homemakers of America, Library Club, Safety Patrol, Red Cross, and the Student Cooperative Association.

After becoming a sophomore I found more opportunities to serve, to the best of my ability, in more clubs, The Future Business Leaders of America offered a most advantageous opportunity to learn about business in action, and as I was photographer of this organization it helped even more.

My junior year was truly a busy one. Besides all my club activities, I worked as an assistant in our school office. I also won a state award in bookkeeping.

I entered Charles City High in my senior year and became manager of the girls basketball team. Yes! As I look back on my past years in school, I find them to be most enjoyable, exciting, and adventurous.

William Earnest Marr

"Will"

In 1962 I transferred from King William to Charles City High School. While in high school I participated in activities such as Monogram Club, K.V.G., S.C.A., and the Future Farmers of America.

I achieved positions on the baseball and track teams. As I leave Charles City High School, I will take with me the knowledge and experience I have gained as a student here.

Boards and Santa Claus

Marjorie Lee Means

"Margie"

My first year of high school was an exciting one, even though it was all new and strange to me. I started off by joining the Library, Glee, and Science Clubs. I was also in the S.C.A. and was on the softball team. I then had the pleasure of being elected homeroom representative to the S.C.A.

By my ninth year I was quite settled into high school life. I joined the Glee Club, Library Club, and was a safety patrol.

The tenth grade was the most exciting of all, as I was on the softball team and basketball manager. I also joined the Library and Glee Clubs and was a member of the S.C.A.

In the eleventh grade I was quite lax in joining clubs, as I felt I should give my studies a little more attention. I did, however, join the Glee Club, S.C.A. and was softball and basketball manager. That year I also had the opportunity to be assistant secretary to Mrs. Gerheart.

My senior year was indeed a pleasant one, as I began preparing for graduation. I was a member of the S.C.A. and on the safety council. And so ends my "glorious high school career."

Michael Edward Minter

"Michael"

In the fall of 1961 I found myself at last as a high school student in C.C.H.S. In my first year of high school I was chosen president of our class. I was in the S.C.A. and the F.F.A. and my greatest thrill of that year was being on the varsity baseball team.

In my ninth grade year I was a member of the Monogram Club, the S.C.A., the Science Club, and Safety Patrol. Again I was on the varsity baseball team.

In the fall of '63 I found myself as a tenth grader in Mr. Crew's home room. This was truly a great year for me. I was elected the class president and was in the Monogram Club, the S.C.A., the Science Club, and the K.V.G. This year I played on the varsity baseball and basketball teams. The honor of attending "Boy's State" that summer was given me.

My junior year was a very busy and rewarding one. I was chosen president of our class, vice-president of the S.C.A. and vice-president of the Honor Council. During this year I was an escort to the May Queen and played on the baseball and basketball teams again.

As a senior I have been honored with the office of president of our S.C.A. I am in the Monogram Club, Glee Club, the K.V.G., and on the varsity basketball and baseball teams. These five years in high school have been a richly rewarding experience for me and I will never forget them.

Charles Lewis Owen

"Charles"

Looking back five years, I see myself entering high school.

In the eighth grade I participated in many sports and clubs. I was a member of the S.C.A., Glee Club, varsity Baseball and Basketball.

The rest of my years at Charles City have been pretty much the same except for a few more clubs and honors. I became a member of the K.V.G., Library Club, was selected to be in the Tobacco Festival four of my five years and in my freshman and junior years, was chosen Most Valuable Player in Baseball. Also, in my freshman through junior years I was voted Most Athletic.

Now my all important year is here. All of my life has been built around sports and finishing school this year. I hope, if it be God's will, that I may continue sports as my career.

I would like to thank the faculty of Charles City and especially Mr. Eanes for standing by me in my past five years.

John Milton Peterson

"Pete"

My five years in Charles City High School have been fun and a lot of work for me. I participated in many clubs and organizations. Some of them are K.V.G., Safety Council, Library Club, Science Club, S.C.A., Forensic Club, F.F.A. and Glee Club.

In sports, I participated in baseball, basketball, and football.

I have enjoyed working with my class on class activities and taking class trips with them.

In my senior year, more than in any other year, we had more things to do as a class. We ordered announcements, caps and gowns, and worked with the annual and other senior activities. It has been a wonderful five years for me.

Orders, Snow, Snow, . . . And More Snow

Evelyn Starlene Reynolds

"Evelyn"

Throughout my high school life there were many activities in which I participated. During these five years, I have participated in the S.C.A., the basketball team, and softball team. I was a member of the following clubs for 4 years: Monogram, Library, Pep, and Glee Club.

During my sophomore, junior, and senior years I was chosen cheerleader by the faculty. The offices I have held in these organizations were secretary-treasurer to the Library Club, and, also, for the junior class.

At last my senior year arrived. This year has brought on many more and harder responsibilities. Among these are preparing for the Corn Club Supper, working on our annual, and being student assistant to Mr. Crews, assistant principal.

Navus Ellen Shook

"Navus"

Participation in sports and service organizations have held much of my attention in high school. I played softball all five years and basketball my first two years. Which meant that I had the opportunity of belonging to the Monogram Club from my freshman year on. Being elected captain of the cheerleaders in my senior year climaxed four years of cheering on the squad.

The students elected me, in my sophomore year, secretary of the S.C.A. to which I belonged all five years. In my freshman and senior years the class chose me as secretary. During my junior and senior years I served as an office assistant and substitute bus driver. As a senior, I served on the annual staff.

In my senior year the only special interest club I belonged to was the Forensic Club. I belonged to the Glee Club each year except my junior year. As an eighth grader and a freshman I belonged to the Science Club.

I was honored by the students when elected to the May Court in the eighth, ninth, and eleventh grades, when chosen as a candidate for Miss Charles City in the tenth and eleventh grades, and when I participated in the Tobacco Festival Parade in 1963, '64, and '65.

Dorothy Stump

"Dorothy"

My thirteen years of attending school have been a wonderful adventure and I wish to thank the faculty for their guidance and instruction during these years.

Before coming to Charles City High School I was a member of the Future Teachers of America, the Junior Classical League, the Junior Chorus, the Senior Chorus and the Future Homemakers of America at Dublin High School.

Since transferring here I have been a member of the Glee Club and of the Library Club.

Carolyne Marie Wallace

"Carolyne"

My name is Carolyne Wallace. My first three years of high school were spent at Ruthville High, a neighboring school in the county. Due to the fact that this is my first year at Charles City High, I am not an active member of any organization.

Although I am not active in any of the many clubs offered here, I have truly enjoyed my first and final year at Charles City High.

With Ordering Caps and Gowns

Douglas Bruce Willcox

"Bruce"

I entered high school in the F.F.A. and the S.C.A. I was also a member of the baseball team.

My second year in high school was full of work for me, as again I was a member of the K.V.G., S.C.A., and baseball team. This year I entered two more clubs, the Library and Dramatics Clubs.

During my junior year I was only a member of the K.V.G. and the S.C.A.

The most important year has finally arrived, my senior year, and I am only a member of the K.V.G., S.C.A., and annual staff.

The Association

The S.C.A. is made up of all the student body in our High School. It is under the sponsorship of Mr. Crews and the officers are Michael Minter - President, Ricky Bates - Vice-President, and Frank Johnson - Sec.-Treas.

The main purpose of the S.C.A. is to further the general welfare of the school. Its aims and objectives consist of the following:

1. Promoting high standards of behavior in all phases of student life.
2. Encouraging: a. Scholastic achievement. b. Care of the building. c. Good school spirit.
3. Promoting a relationship of high standards:
   A. Between the S.C.A. and the student body.
   B. Between the student body and the faculty.
   C. Between the student body and the community.
   D. Within the student body.

With these objectives in mind the S.C.A. immediately set to work in order to achieve its goals. The High School Christmas party, Magazine Sales, Sheltering Arms Fund, March of Dimes, the promoting of Honor in our school, and many other important projects were planned and sponsored by us.

The Executive council plans and promotes the projects that the S.C.A, is to carry out and acts as a steering committee for the S.C.A.

The Honor Council endeavors to promote honesty in all aspects of school life.

Science Club

Gerry Blackman - President
Jimmy Richardson - Vice-President
Sarah Johnson - Secretary-Treasurer
Robert Charnock - Sponsor

The Science Club is an organization set up to promote a greater interest in science for those who show an outstanding achievement in that field. It consists of students from grades eight through twelve. For these students, besides showing outstanding achievement in science, there is also a desire to explore and learn a great deal more about science and its many branches.

As a project for this year, the Science Club plans a Science Fair in late May. There will be many exhibits, experiments, and projects on display.

Two fine movies were sponsored by the club this year, THE DEVIL AT FOUR O'CLOCK and GREAT DAY IN THE MORNING. The Forensic Club organized groups to attend the plays, THE DARK OF THE MOON, and MISALLIANCE, and plans to attend THE MERCHANT OF VENICE, and GYPSY. It will also help in the production of the Senior play, THE VALIANT.

The club also promoted interest in the Forensic Competition. The school was represented in District E competition by Tim Berry, who won 3rd place in Boy's Prose, Mary Duke, Girls' Prose, Bonnie Nantz, who won 2nd place in Girls' Poetry, Mary Ann Pyles, Spelling.

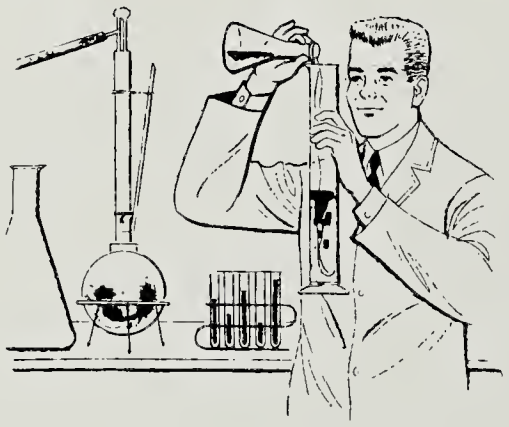
Paper and Careers *for the future*



TODAY there are more than 100,000 different uses for paper . . . and the search for new uses never ends. That is why this fast-growing industry is now the fifth largest in the country . . . and why it needs trained researchers and technicians for future growth.

Our company, a pioneer kraft manufacturer, joins with other mills in sponsoring college scholarships in paper technology. It also offers scholarships for study in a subject of the student's choice. For information, write: Public Relations Department —

Lyle,

its been great knowing you. Here's to the greatest escort a girl could have at Central State Hospital. Don't forget our hike to get "our" cars and get out of there. Best of luck in the future and especially next year on the basket-ball court.

God bless you,
Mary

Nearly anything you want can be yours if you try. Good luck in the future.

Bill A.

Lyle,

Keep jumping high and reaching for more goals. I want to see you break 50 against New Kent next year and hold Davis to about 2.

Good Luck

Lyle,
It's been great knowing you and going to school with you. I wish you luck in filling the shoes of "Big Dick" will put before you next year. And of course, the best of luck always.
Be good and have fun.
Always,
Jane Lee

Pen:
don't knock
anything up this
summer. Be careful shooting
pigeons and drink like that. Keep them
between the ditches.

Your Friend

Lyle,
It's been a real
pleasure knowing and
working with you
past years. Have
a good time with
the S.E.H. next
year and good
luck in the
future. Yours truly
Mike

Lyle,

It has been most enjoyable having you in homeroom this year. I wish the best for you in your senior year.

Mrs. Anne Jewell

Lyle,

Well, here we are, almost Seniors. We have been together almost 12 years. Best of luck in your later years. I am sure you will succeed in whatever you try. Remember some of our good times together? I hope they aren't our last.

Good Luck,
Rick Bates

Lyle,

Best of luck to you now and in the coming years. I have enjoyed being a "Junior" this year with you. Be good this summer and don't catch too many girls.

Love ya!
Janet

Lyle,

Here's hoping you make the best of your Senior year. Good Luck.

Edna

Best of luck next year & in the future. Have a good year in basketball and with the SCA. Keep Ricky straight in school, if you can. Sorry I'm not more competition in basketball.

C. Dale Lamer

Lyle —
Best of luck in learning to control your potential — practice this summer and we'll work on it next year in Sr. English.

L. Bradford

Lyle,
We have had lots of fun these past years, and I know next year will be a blast, as we will be "high and mighty" Seniors. I wish you the best of luck in everything you attempt to do.

Sue Ya,
Linda

Lyle,

Hope you have a wonderfull summer. Best of luck to you next year.

Bill G.

Best Wishes

Lyle
I'm doing you the honors.
I have enjoyed being in school with
you. Good luck next year as a
"Mighty Senior!" Be good and good luck.

Best o' Luck in
all that you do!
Marguerite Richardson

Lyle,
Best of luck and happiness
in the future. We'll see you
in the Senior year be a
success! Carol.

Lyle, here
Well, here we are nearing
the end of the "Sophomore"
year as "Juniors" and next
year as "Seniors". Then
the doors of the great world
will be open to us. Let's
continue a better year and
basketball. Have a good time

Lyle,
I'll never forget that lip-in with about nine seconds to go against King William. Hope you will be able to jump like a kangaroo by the time school starts next year. Have a good time this summer.

Bill Ricks

Lyle,
Remember, it's not what you do in life, but what you get caught doing. Think that on dates.
Susan Jones

Lyle,
Be good and don't buy anymore of your wife's clips. But seriously have a bright future and good luck in your seniors next year, you'll need it.
Good luck
Peggie

Lyle,

No man is really old until his mother stops worrying about him.

Lyle, It has been nice knowing you this year. I wish you lots of luck next year on the basketball team, and your Senior year as your always and friendly and sweet as you are and your future life. Be good and have fun this summer. Take care. Best Wishes
Tracy.
